Press Release

KMEW: Consistency You Can Count On, Serving Key Major Ports of India

Mumbai, India, September 20, 2024: - Knowledge Marine & Engineering Works Ltd. (KMEW) (BSE: 543273) has been awarded a work order by the Dredging Corporation of India Limited (“DCIL”) for the work of conducting single beam and multi beam surveys with suitable steel hull survey launch and dinghy boat with equipment and manning etc., at Deendayal Port Authority (“DPA”). The contract is for a period of three (03) years and is valued at ₹10,77,04,058, inclusive of GST (Rupees Ten Crores Seventy -Seven Lakh Four Thousand Fifty-Eight Rupees Only).

The contract entails the deployment of One survey launch and KMEW plans to deploy its existing vessel “River Pearl – 1” for the same. The scope of work includes carrying out all bathymetric surveys, including pre-dredging, progressive/ check, post dredging and monthly bill surveys, using survey launch & dinghy boat in all areas of DPA.

As part of our ongoing commitment to operational excellence and service consistency, we are pleased to announce the continuation of a repeat work order for the Single Beam and Multi Beam Surveys. The same vessel “River Pearl – 1” has completed the similar work of Surveys for a period of 7 years at Shyama Prasad Mookerjee Port (erstwhile Kolkata Port Authority). This order from DCI reflects the client's confidence in our capabilities and the proven reliability of our execution in various segments either it is dredging or port ancillary crafts.

With this contract win, the company is underscoring its distinguished history and expertise in the Survey segment. This achievement not only reaffirms our reputation but also opens new avenues for expanding our services within the port's ancillary sector. This success highlights our strong position in the industry and sets the stage for further growth and enhanced service offerings for Dredging Corporation of India Limited.

Commenting on the Work Order, Mr. Sujay Kewalramani, CEO of Knowledge Marine & Engineering Works Ltd said that,

“We are pleased to announce a strategic achievement—our second order win for conducting the single beam and multi beam surveys. This milestone highlights the importance of our role in the maritime industry, especially with the government's emphasis on enhancing port efficiency and ancillary services. Our ability to offer a diverse range of services under our port ancillary umbrella at key locations sets us apart from competitors. This achievement underscores our commitment to excellence and timely execution, contributing to our continued success and growth.”

About Knowledge Marine & Engineering Works Ltd:

Incorporated in 2015, KMEW is in the business of owning and operating Marine Crafts, dredging, repair and maintenance/refits of Marine Crafts and Marine Infrastructure. The Company provides multiple solutions of marine engineering including dredging at various ports, carrying out repair and refit services of naval and merchant ships, conducting hydrographic and magnetometer surveys and technical solutions for maintenance and operations of vessels. Over the years, it has become an established player in the small

marine craft business segment and dredging services in India and have evolved from a small ship-repair unit to a ship-owning Company. The company has a multi-million order book from esteemed clients such as Ministry of External Affairs, Kolkata Port Trust, Visakhapatnam Port Trust, Deendayal Port Trust, Paradip Port Trust, Dredging Corporation of India and various other ports.
